Iustorum animae

Motet for four voices

Offertory for the Feast of All Saints

In the style of Giovanni Pierluigi da Palestrina — Original composition

Iustorum animae in manu Dei sunt,
et non tanget illos tormentum malitiae:
visi sunt oculis insipientium mori:
illi autem sunt in pace.

The souls of the just are in the hand of God,
and the torment of malice shall not touch them.
In the sight of the unwise they seemed to die,
but they are in peace.
